Government of Mysore

Sir,

With reference to the Chief Secretary's Official memo No 1052 dated 2nd January 1894, forwarding for disposal, petition No 1839 dated 2nd idem from Putte Gowda and others praying for the continuance of the Inam lands granted by the late Maharajas in the name of Byre Devaru, I have the honor to report that Vombattu Muri Ghati Byre Devaru was in the enjoyment of the 3 Inams noted in the margin. Of these Nos 1 and 3 were in land and No 2 in ready money.

	Value in Rupees	
1 -	58-2-11	Hesgod
2 -	11-10-	Kogile
3 -	11-0-	Guttí

2. At the time of the settlement of Inams which took place in 1880, the Inam lands of Nos 1 and 3 villages were ordered to be resumed to Government on the ground that the temple was much in disrepair.

The cash payment of Rs 11/- from no 2 of Kogile village seems to have been left unnoticed and the same is being now enjoyed by the temple.

3. During the Survey Settlement in 1881, lands connected with the Inam of no 1 village (Heragod) were declared to be absolutely the property of Khatedars paying revenue to Government with a note however that the value of Inam (Rs 58-2-11) should thenceforward be paid in money from the Taluk Treasury. As there was more than one land in village no 3 (Gutti) partly as Inam and partly as ryoto holdings, portion of only one no (S. no 114) viz: 4 acres and 27 guntas assessed at Rs 10-8-0, was finally declared in 1890 as the temple land paying revenue to Government as per consent of the villagers (Vide Amildar's no 1057 dated 2nd March 1891).

4. It is now urged that the temple being one of local importance, the cash payment Rs 11/- per annum and the produce of the Vandayem land are hardly sufficient to maintain the Pujari, and that consequently the payment of the total amount (Rs 80-2-11) as per old mamool maybe restored.

5 The condition of the temple is reported to be as follows;-

It contains 27 anthanams built of stone and mortar. It is strong but in need of repairs. The cost for it would come to nearly Rs 1500/, which Puttegowda, chief devotee, says that he is unable to bear, unless Government restores the respective Inams with arrears from 1881-82, the totals of which come to Rs 936 and odd up to 1894-95. In the event of this being sanctioned Puttegowda consents to undertake the repairs and finish the same within one year from date of payment of the arrears. He also agrees to execute a Muchalika and furnish adequate security to execute the work satisfactorily.

6. The present Amildar, like his predecessors, recommends that the said Gowda may be entrusted with the above work which is roughly estimated to cost Rs 1500/-

7. The Vernacular correspondence ending with Mudgere Amildar's

report no 36 dated 2nd january 1895

From

Deputy Commissioner
Madura District

To

The Secretary to Government,
Marine Department

Sir,

With reference to your docket No 1145 dated 15th May 1896, observing that Government were unable to entertain the application of Pottle Gowda and others on condition of restoring the Temple of Soubhathi Amma Ghata Bhandaram of the Guthi village, Madanur Taluk, to a state of good repair and that the restoration of Land in question could only be con-
-templated after it is prepared and surveyed, I have the honor to state that the Marine Assistant

Commissioner

Commissioner visited the locality on the 6th April 1898.

2 On inspection it has been found that the Temple situate on the hills far off the reach of roads, has been well repaired at a cost of over Rs. 500/- in addition to the free labour rendered by the devotees to the extent of Rs. 325/; and that the report of the Amildar of the 18th April 1897, may be fully endorsed.

3. The Temple is a solid masonry building consisting of 2 Arkanams in all. The materials including stones, Chunam, &c., had to be carried on head loads to a height of 4,238 feet and labour imported from a distance.

4. On enquiry it is also ascertained that the worship had never ceased.

5. The devotees also mean to erect some buildings in the out-skirts of the Temple to serve as shelter for the visitors at times of Jathra, &c.

6. The importance of the Temple and

and the circumstances under which the Inams were presumed have been explained in detail in this office Letter No. 1510 dated 21-5-1895, to which the docket under reference is a reply.

7 Under all these circumstances, I am of opinion that Government may favourably view the petition of the devotees and order the restoration, with arrears, of the entire Inams enjoyed by the deity prior to presumption.

8. The vernacular correspondence ending with Madgere Timiladi's No. 98, dated 2nd April 1898, is enclosed for reference.

Order thereon—

The Temple of ~
Bhyre Devaru in Gutti
village was formerly ~
in the enjoyment of ~
certain Malnad Inams
as follows:—

1. A Cash payment of
~~Rs~~ 11—10—0 a year from
the revenues of Kogile Village

(2) Certain Inam lands in Hosgod Village, which the Survey settlement confirmed to the Wargdars commuting the land inam into a Cash payment of Rs 58-2-11 payable to the temple out of the revenues of the village.
and

(3) A land Inam - Survey No 114(pt) measuring A. G. 4-27 and assessed at Rs 11-10-2 in Gutti village -

2. Of the foregoing 3 grants only no 1. Viz the Cash allowance of Rs 11-10-0 is now continued to the Temple; but the other two were resumed during the Inam Settlement in 1880 on the ground of the then disrepaired state

of the Temple building the resumed land viz Survey no 114 p.' being registered in the Dhake of the Temple.

2. The Dy: Commr. Mr. Carr reports that on personal inspection, the Temple is found to have been thoroughly repaired by the devotees and that the Institution being one of great local importance the cash allowance of Rs 11-10-0 enjoyed by the Temple is too inadequate to meet the expenses of Puja services which are being satisfactorily kept up by the devotees; and he therefore recommends that the Inam grants nos 2 & 3 referred to in para 1 supra may now be restored to the Institution.

3. In these circumstances the Govt are pleased to sanction the Dy: Commrs recommendation to restore to the Temple the following Inam grants resumed at the Inam settlement:—

(1) The cash payment of ~~Rs~~ 58-2-11 out of the revenues of Hosgod Village

(2) Survey no 114 (part) of Gutti village.

4 The ~~Inam~~ Supt of Inam Settlements will be requested to register the grants in the name of the Temple and issue regular Title-Deeds therefor.
